### Sigma Tau Sigma Sponsors Forum On 'Our Policy in the Far East'

"Our Policy in the Far East" was the subject of the Town Hall Forum held before approximately 200 students last Tuesday in College Hall.

Under the sponsorship of Donald Prinson and the Sigma Tau Sigma, social science honor fraternity, the panel consisted of Dr. Philip Schlessinger, Philip Clarke, John Penery and Linford Riley.

Mr. Schlessinger is of the political science department of LACC. Mr. Riley is a graduate student of UCLA. Mr. Clarke and Mr. Penery are members of the Valley faculty.

Leonidas Paolino, biology instructor, acted as time keeper

and moderator of the panel.

Don Ingall on trumpet; Paul Trietsch, drums; Norman Poulshock, piano; and Hal Brown on guitar played incidental music before and after the Forum.

#### Council Has Vacancies

Petitions are open to interested and qualified persons for two seats on the Executive Council.

The vacancies in the Council occurred with the resignation of Berle Brown and Beverly Zanolino.

To be eligible to circulate a petition, the Associated Student member must be a Beta, Gamma or Delta, registered in at least 12 units of work and must have at least a 1.5 grade average.

Petitions may be obtained from Mrs. Nena Royer, dean of activities.

The selection of the new members will be made by the present cabinet.

#### Atomic First Aid Courses Offered Valley Instructors

Courses are now being offered to all faculty instructors in first aid needed for atomic warfare. After the instructors have had the course, it will be made available for all students.

This is for emergency purposes and, according to the bulletin from the school defense activities committee, the cooperation by the schools with state, county and city defense planning is vital to the success of the Civil Defense Program.

Each of the junior colleges already has trained Red Cross instructors and will proceed under

### ILMC Ratifies Constitution By Unanimous Vote

The Inter League Metropolitan Conference adopted its constitution at a short informal meeting at the California Junior College Student Government Convention at Sacramento last week.

The constitution was ratified by a unanimous vote of all members.

Mike Seeger, Associated Students president, stated that, "After seeing the effectiveness of an organization of this type, I am convinced that with proper leadership the ILMC will continue to prove itself as an important factor in: 1. Public Relations among member colleges. 2. Building school spirit among member colleges. 3. The exchange of ideas, as individual school spirit can be placed on a competitive basis. 4. Solving problems concerning one member by having the constructive help of all ILMC members. 5. Producing opportunities conducive for exchange assemblies, etc. 6. Building uniformity and continuity among junior colleges of this conference and setting examples to be followed by other junior colleges of the United States."

the direction of Dr. Howard Campion and Miss Edith Clark, assistant superintendents, in carrying out their own plan to achieve total coverage for the Standard First Aid Course in the separate institutions by the end of this semester.

### Lettermen Plan Queen Contest

Ed Austin, president of the Letterman's Club, sponsors of the Homecoming Queen contest, said today that the judges will be from the professional press and local retail merchants. The merchants will award valuable prizes to the queen and her princesses. The date of the judging has not yet been set, however. Homecoming Day will be held November 18.

Dick Yamashita, president of the Inter-Organization Council, expressed deep concern over the small number of candidates that the campus clubs have entered so far. The only clubs that have filled out official application blanks are: The French Club, with June Kroutil; the Student Y, with Shirley Shilts, and Gamma Delta Upsilon, journalism fraternity, with Dodie Joyce. Other clubs that have declared their intentions to run a candidate are: the Newman Club, Sigma Tau Sigma, AMS, AWS and the Knights.

Each on-campus organization is urged to enter a candidate for this honor. If there is no one in an organization who is willing or eligible to compete, it is suggested that the club select a suitable candidate from the student body-at-large and sponsor her.

### Valley Bests Porterville 13-12 in Seesaw Battle; Ambord Wins Honors

By DICK FOX

Moving around, through, over and under, the Valley Monarchs downed an overpowered Porterville team last Saturday night at Porterville by a score of 13 to 12. Despite the score, the Monarchs played their best game of the season and matched the Pirates in everything but passing. The best ground work was done by the Valley boys with Walt Ambord holding top honors.

### Representatives Voice Approval Of Conference

"Communist infiltration in the colleges" was the topic of a resolution adopted at the 10th Biannual California Junior College Student Government Conference at which Valley College was represented by five Student Council members. The resolution's purpose was to curb any attempts at Communistic activities in the colleges.

The five Student Council members who represented Valley were: Mike Seeger, Associated Students president; Dick Yamashita, AS vice president; Shirley Holt, AS secretary; Kathy Moore, AWS president; and Robert Lunsford, last semester's AS president and ex-officio member of the Student Council.

Another issue in which the Valley representatives voiced their opinion was the complete reorganization of the State Secretarial System. This includes arrangements for the host school to be responsible for recording and distributing minutes of the conferences. The State Secretarial School was charged with recording any changes in the Constitution or codes, and all resolutions regarding the functions of the CJCSCG.

Student-Faculty relations were discussed, and a move was made to have a student representative at all or most of the faculty meetings at each individual college.

A Public Relations Board will be organized to work for increased cooperation with the community.

Long Beach C.C. is to be the next State Host, and San Diego will be the regional host for next semester.

Bob Lunsford, one of the representatives from Valley, best described the success of the Conference when he said, "The recent Conference in Sacramento was one of the finest that has been held thus far, and Valley College representatives were in a large part responsible for the passing of proper legislature."

Coach Charlie Mann beamed from ear to ear with his new defensive formation as it stopped the Pirates cold. The formation is a five-three-two-two with Mike Sutalo and Hugh Hawley protecting the center of the line. Ambord, Sutalo, Dick Remender and Hawley were the big sparks in aiding Valley to its first win in the college's history.

#### No Time Wasted

Starting things off with a big bang, Remender blocked a Porterville punt with the game only two minutes old, and Bert Nitsch recovered the ball in the end zone for a Valley score. Ambord kicked the extra point and the score stood 7-0.

#### Rough and Tough Game

On the return kickoff Remender made a great tackle along with Dave Summers. On that play Mr. Summers was put to sleep and did not come to until about five minutes before the first half ended. Summers was all right on the bus coming home but couldn't remember what had happened.

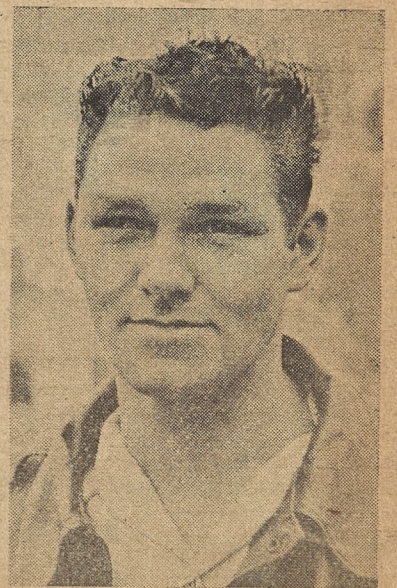

#### Pirates Show Speed

In the second quarter a speedy Pirate intercepted a Valley pass (Continued on Page 3)

### Players To Give Scene From Play For Assembly

"A Date on One Sunday Afternoon," a scene from the play by James Hagen, will be enacted at 11 a.m. on November 9 in College Hall in conjunction with the Armistice Day program. It is a scene, complete within itself from the play, which had in its cast when presented in movie form, Gary Cooper, Jack Carson and Helen Hayes. Dick Reynolds, Dolores Yrigoyen, Barbara Price and Stan Fishman will take the student leads announced Bob E. Davis, drama instructor.

The scene will be presented later the same afternoon for a teachers' institute.

HEAD OF QUEEN CONTEST—Ed Austin, Lettermen president, will head the Queen Contest for Homecoming.

—Photo by Clark

### Van Nuys Chamber Of Commerce Sponsors Parade

Churches of Van Nuys are rallying behind the Bethlehem Star Parade, the second Christmas parade sponsored by the Van Nuys Chamber of Commerce. Registration of floats began last week.

Committee chairman, Rev. Cornelius Vlot, states that all churches who participated last year have registered and he expects the registration of additional churches this week.

Float subjects for the parade are religious scenes.

According to the Van Nuys Chamber of Commerce, an invitation has also been extended to each of the participating pastors to enter his church choir in the parade. It is believed that, if sufficient voice amplification can be provided, the singing of appropriate Christmas carols or religious anthems by the choirs will add much to the spirit and enjoyment of the parade.

### McNelis Gives Deferment Rules

Rules governing the deferment of college students were released by William McNelis, Valley College counselor, this week.

Any student who registered in or indicated that he intended pursuing a full time course of instruction at Valley College prior to August 1, 1950; who is now registered in 12 or more units and doing satisfactory work; and who, at the time he takes his physical, presents his draft board with a letter, stating that he is

enrolled at Valley and is meeting the requirements, will have his induction postponed for the balance of the school year.

If a student has completed a full year at this or another college and is classified as 2A, he can elect the branch of service he wishes to enter at the time of expiration of his deferment.

Major Keeley, who is in charge of the selective service board in this area, states that for the present time this is the policy.

## Constructive or Destructive??

There are a number of persons at Valley College who have yet to learn how to use and take care of other people's property.

This does not mean the trivial things such as pens and pencils, but rather, the more important things such as school equipment and facilities.

The audio-visual materials owned by the college are continually having to have minor repairs made. True, the materials are here for the use of all concerned, but unless a little more care is taken in the using of them, there won't be any materials to use.

Facilities of the college are also for the use of the students and guests, but when away from home and on the campus of another college, students should have enough discretion not to break down the bleachers. Porterville College probably won't be glad to see visitors from Valley College next season because they have no place to seat them—that is unless they gather up the wood from the (ex) bleachers and build them anew.

Yes, the bleachers were "beat" when Valley arrived, but even more so when the cheerers left.

A lot of spirit was expressed at the game however. Keep up the spirit without destroying property.

—D. H.

## In the Mood

By DICK MCGOWAN

Frank Sinatra is finally making the big jump and moving into television. The Voice will be backed by Axel Stordahl's 25 piece orchestra and a vocal group. Ben Blue will be the featured comic. The show will be on regularly every Saturday night, but no date has been released as yet regarding the initial performance.

Jerry Gray and his band will open at the Meadowbrook in New Jersey, Nov. 15. The band will also do seven one-niters and one shot on the Cavalcade of Bands TV show on Nov. 14.

Both Metronome and Downbeat magazines are sponsoring their annual "most popular musician" polls. Entry blanks are available in the latest issues of the magazines, and you can vote for your favorite artist by buying a copy.

At the last meeting of the music club the name of the organization was chosen. From now on, it will be known as Sigma Alpha Phi. This name was chosen because it is synonymous with sharps and flats.

Frank De Vol will bring his newly organized dance band into the Palladium starting November 14. Helen O'Connell, who was with Jimmy Dorsey around 1943, will come out of semi-retirement to act as the featured vocalist with the band. De Vol and Miss O'Connell will also record for Capitol.

### ALMA MATER

Hail thee Monarch: Valley sovereign mid the circling mountains;

Green and Gold the emblem of thy fair and wide renown.

Alma Mater guide us ever onward to thy goal,

Amity and loyalty ever in thy soul.

## Community Chest Readies Campaign For Annual 'Red Feather' Drive

### Monarchs To Know

By LEO OFALI

Born and raised right here in Van Nuys, it seems natural that James Slosson would come back to teach at Valley College. This versatile instructor, commonly known as "coach" to the track team, lectures each day to geology and geography classes.

A University of Southern California graduate, he received his Bachelor's and Master's degrees in science and is now working on his Doctor's.

Mr. Slosson taught for a year at USC, a year at night school in Newhall and three years as athletic instructor for the Army Air Corps.

Noel Korn

For a man who went to school in Vienna for a year, Noel Korn can't say he has traveled much. Outside of New Jersey and New York, his only other place of residence has been California.

Mr. Korn received his Bachelor of Arts Degree at City College of New York and his Master's at the university over the hill, UCLA. He has a full time schedule by teaching night school at LACC and coming here in the day to instruct English classes.

He now lives in Los Angeles with, as he puts it, "a wife and a broken down car with a map in the glove compartment."

### Demonstration Dances Directed By Mindlin

Demonstration of various square dances were shown in College Hall, Oct. 19 by Valley College students under the direction of Miss Helen Mindlin, physical education instructor. The demonstration was part of a teachers' institute program.

Nancy Brainard, Joyce Gliver, Louise Lewis, Kathryn Lennard, Laurence Adler, Jack Heins, Guy Bensusan and Jack Morgan danced the latest steps to popular square dance records for an audience of seventy people, mostly San Fernando Valley teachers.

After the demonstration, everybody participated under the direction of Miss Mindlin.

"The tremendous upswing of popularity of square dancing was evidenced by the interest shown in the institute," said Miss Mindlin.

### MOBILE X-RAY UNIT COMES TO CAMPUS

Valley College students turned out in mass to take advantage of the free Mobile X-ray Chest Unit stationed on campus last Tuesday and Wednesday.

Numerous evening students were x-rayed last Wednesday evening when the Mobile Unit stayed over for their convenience.

All Valley students were given necessary forms by their instructor. Taking the x-ray required

The annual Community Chest campaign in the Los Angeles City Schools will begin November 13 and continue through November 17. The Chest drive opens with a plea, "You do so much for so many."

Every year, an appeal is made to the general public for contributions to the Red Feather foundations, and every year the money acquired goes to provide for the care that some could not otherwise receive.

The question has been asked, "How much would you give . . . if they came to your door in 155 separate campaigns every year?" For there are that many health and welfare services that are supported by these Red Feather activities.

The Community Chest campaign bulletin remarked, "The economy, efficiency and strict accountability characterizing the Chest method is possible only by virtue of a united effort of all interests for the general welfare of our community."

Seventy percent of the contributions to the Chest last year were used for children. One out of four are benefited directly and everyone benefits indirectly.

The Children's Home Society, the Los Angeles Orphanage, the Los Angeles Armed Services Organization, the Boy and Girl Scouts, the California Babies' and Children's Hospital, Cedars of Lebanon Clinic and the Assistance League Day Nursery are all Chest projects.

### Instruction For Christmas Jobs Soon To Start

Valley College students who wish Christmas employment in the Van Nuys area will be given a special Christmas sales course in order to acquaint the students with latest business methods, according to Mrs. Mary Bruick, head of the Employment Office.

The program is sponsored by the Van Nuys Chamber of Commerce in cooperation with Valley College. Mrs. Bruick said that Van Nuys business men will probably give preference to those students who have taken the curriculum offered when they employ help.

Mrs. Bruick and Ronald Brooks, business education instructor at Valley, will present the course of study, stressing sales personality, the approach, handling difficult customers, handling objections, the sales presentation and store procedure.

Interested students should register immediately, as classes start November 6.

### Hayden Speaks At AMS Assembly

Sheldon Hayden, Santa Monica City College Public Speaking instructor, gave a cartoon illustrated speech on the art of public speaking at Thursday's Assembly in College Hall.

Mr. Hayden was introduced by Bob Baker, AMS president. The assembly was sponsored by AMS.

less than one minute for each person.

Results will be mailed in about three weeks.

## The Valley Forge

By BILL TUNNELL

They say cars are getting hard to get. They will be around Valley College unless some of the jokers around here start using a little sense while parking "Liz-zie."

### Four Types???

We have approximately four types of parking wizards around the "Crown Colony." First, we have the blind type who leaves

the back-end of his car sticking out in the middle of the street. Then we have the big-shot type who parks under a no-parking sign and thinks he can get away with it. Thirdly, the hurried type who parks on the corner in a red (pardon the word) zone, jumps out of his or her car, rushes across the campus and is still ten minutes late to class.

### Move Up

But the one that burns me is the crumb that parks his car in a space big enough for three cars. Does this cad leave room for two more cars? Why, no. Naturally not. Why? I haven't the faintest idea. There seems to be no method in this type of parking, and this is what is causing the trouble around Valley right now.

### Where's My Car?

From good authority (two police officers) I have learned of complaints from the residents near by because of some of the students parking with half a car sitting in the driveway. One lady across the street even had to call a taxi to get to work because she couldn't get her car out of the driveway.

The main reason for this difficulty is the lone wolf that parks by himself in a three car space; thus, when somebody else tries to park, his bumper is hanging in the driveway. Now here comes the bomb. Offenders of drive-ways will no longer receive parking citations, but their cars will be simply towed away by the police and a sizeable fee will be administered for the return of "Lizzie." Now the police have stated that they don't wish to take these drastic measures; but when these same violations occur over and over again, extra steps have to be taken.

### Congrats!!!

Yours truly wishes to bestow the weekly FORGE FAVOR on Tony Albert. Tony, you played a good game Saturday and have shown a lot of improvement of late. Keep up the good work. Lots of luck and the best of it to you.

A lie leads a man from a grove into a jungle.

## Monarchs Pull Through With One Point Win Over Pirates

(Continued from Page 1)

and flew 66 yards down field for the first Porterville TD. The Pirates' place kicker was met by Ernie Chacon while trying to make the conversion. Chacon bounced in there to stop the Pirates from tying up the score.

### Friday or Saturday

Valley College at Porterville last Friday night. That's right—Porterville Jaysee turned out en masse with band playing, concessions going, players warming up, but no Valley Monarchs 30 minutes before the game.

The game was originally scheduled for Friday according to Porterville authorities, but earlier in the year athletic director at Valley, E. Y. Johnson, changed the game to Saturday in a written letter. Unfortunately the letter never reached the Porterville athletic department so the affair was ready to go on Friday.

Erratic Porterville moguls called the Mann residence on Friday night, inquiring the whereabouts of his team. Head Coach Charles Mann was attending the East LA-Long Beach tussle at Garfield High.

The remainder of the first half found Bill Baker of Valley and Dick Dean stopping possible Porterville touchdowns with sparkling defensive play.

Trueblood, the Pirate passer, let go with a long one, and Dean saved the day by knocking the man out on the Valley two yard line. The next four plays showed the power of the Valley line as they pushed the Pirates back to the 17 yard line. The half ended

with Valley holding that all important one point lead which proved so important.

The third quarter found both teams held scoreless but displaying a great running attack; however, the Monarch men outshined and outplayed the Porterville Pirates.

### Last Quarter It

The fourth quarter moved very fast with Trueblood of Porterville passing for a TD, but the Pirates were unable to make the conversion. The score then stood Porterville 12, Valley 7. Then Chuck Wiand of Valley came right back to prove that Valley could be as effective with passing as the Pirates. Wiand tossed a beautiful 13 yard pass to Ambord, who took it on the Pirate 12 yard line and went over for the second Valley score. Ambord was unable to kick the conversion.

### Ambord Does It Again

Ambord once again proved his value to Valley by racing fifty yards down field for a TD, but a backfield in motion penalty validated the 6 points.

### Team Best This Season

The Valley boys showed more spirit and more fight than at any time this year. Bert Nitsch really showed some power and fight along with Frank Kresse. Milt Ryan, Jerry Shutt and Vaughan Glaser also made a great showing. All in all the boys from Valley really came through. Congratulations are in order for the small group of rooters who showed up at the game. They made a better showing than the much larger Porterville cheering section.

### Football Schedule

Nov. 4—Valley at Bakersfield  
Nov. 9—Valley at Glendale City College

## Dickey Wins First In Cross Country Meet With Oxy

Valley College's cross country harriers lost to a powerful UCLA squad last week 15-48 and were beaten by a strong Occidental Frosh team last Wednesday by a score of 26-31, though Jim Dickey of Valley won first place in the Oxy meet.

The UCLA meet proved to be a walkaway as five UCLA men crossed the finish line before a Monarch placed. Marty Donahue, who took first for the Bruins, came within two seconds of equaling the course record, as he covered the long jaunt in 15 minutes and 17 seconds.

Dickey was Valley's first man to place, crossing the finish line in sixth place. Don Hoover, Dwight Mobley, Wes Morris, John Garcia, Clive Rogers, Sheldon Auerbach and Ed Masry also placed for the Green and Gold.

The Occidental meet, which was supposed to be a triangular affair, (Muir JC failed to show up) found Dickey garnering first position in 16 minutes and 57 seconds for the three mile course. Dickey, who ran barefoot over the asphalt course, trailed in the second spot until the last 100 yards and then with a strong kick passed up his opponent and captured the coveted blue ribbon.

Oxy men took the next four places and were followed by Morris, Mobley, Hoover, Masry, Garcia and Auerbach of Valley, who occupied the next six places respectively.

Valley met East LA yesterday in the first conference meet. The results were in too late for publication this week, but will appear in next week's paper.

### Murphy Still in Lead

Mel Wawrach, guest picker for the student body last week, came up with the season's high picking, 18 out of a possible 20 games.

This moved the student body into a tie with the faculty. Both groups have a 62 and 45 record. Roger Murphy continues to pace the pickers with a 71 and 36 record. Dick Degnon picked up three games on second place man Brad Browne, and now the two are tied for the place position.

### NOTICE

Fred DeLuca, secretary of the Knights, has announced that application blanks for the service club can be obtained from any member of the organization.

## Valley Seeks M.C. Win From Bakersfield JC in Clash Tomorrow Night

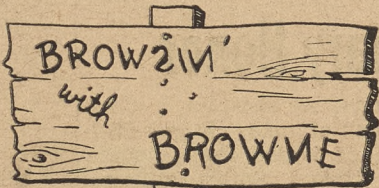

### Basketball Squad Starts Full Scale Practice Sessions

Coach Ben McFarland's basketball team started practicing five days a week this week and will continue until the end of the season.

Valley College opens up the season on November 28 against Pierce Jaysee at Van Nuys High. Coach McFarland has scheduled 26 practice games to date and has five open dates to fill.

The Valley basketball has announced this week that there will be several jayvee games played, and they will precede the varsity games at 6:30 p.m. The varsity games will all start at 8 p.m.

McFarland stated this week that possibilities of cutting his squad are slim due to the addition of jayvee games. The squad is rounding into shape and should be amply ready for the opener against Pierce on November 28. The Metro conference opens on January 5 when Valley will take on defending champion East LA at Van Nuys High.

By BRAD BROWNE

We aren't the only football team that is having troubles winning games this year. Poor little ol' Antelope Valley JC is really having a tough time of it. In six games they have yet to win and, get this, have not scored a point in any of the tilts.

### Ambord to Loyola

Walt Ambord showed Saturday night that he is one of the best running backs in Southern California JC ranks. In my book, Ambord can play regularly on

### Girls Win Game From Antelope

Last week El Camino College played host to 14 junior colleges in a large play day. Those attending were Harbor, East LA, LACC, Glendale, Pasadena, Orange Coast, Citrus, San Diego, Santa Monica, Valley, Antelope Valley, Mount San Antonio and Fullerton.

Valley College sent a delegation of two complete girls' basketball teams with five subs. Team one was led by Diane Everts and scored an impressive 16 to 7 victory against Antelope Valley.

Team two, captained by Evelyn Hansen was not so lucky and suffered a 26 to 13 loss to LACC.

At the end of the eventful day the girls were served milk and doughnuts.

### ROYER, COCHANIDES FLY TO CONFERENCE

Mrs. Nena Royer, dean of activities, and Miss Frances Cochranides, English instructor of Valley College and student government sponsor, flew to the State Conference at Sacramento last week.

Shirley Holt, AS secretary, and Kathy Moore, AWS president, joined Mrs. Royer and Miss Cochranides in the flight home.

Valley College and Bakersfield Jaysee will go all out tomorrow night in the Oil City in a clash that will give the winner its first Metro Conference win of the year.

### Renegades Fade

Bakersfield, who has been somewhat of a disappointment to date, has dropped two circuit games after copping triumphs over a good LACC eleven, 14-13, and Glendale City College, both of whom are members of the Western States Conference. Their league losses were to Metro pace setting El Camino College, 27-0; and last week in one of the many jayvee surprises of the week end they were downed by an underdog San Diego squad 20-14. They also have a scoreless tie with Harbor Jaysee marring Harbor's record.

### Monarchs Impotent

The Monarchs have dropped all their Metro tilts thus far and will go into the fray as probable two-touchdown underdogs. Valley has lost to San Diego, Santa Monica and East Los Angeles.

Coach Mann announced Monday that his squad came out of the Porterville win with but a few minor mishaps to his players and will be in good shape for the Renegade tussle. Dave Summers was the only real casualty as he was KO'd in the first quarter while making a tackle.

### Johnson Outstanding

The Renegades are led by sensational halfback Don Johnson, who recently returned to action following a broken collarbone injury sustained in the Glendale game, in which he rambled for long runs of 80 and 90 yards. Johnson has been compared with the great Charlie Sarver and USC quarterback Frank Gifford, who also played for Jack Frost's Renegades.

Al Kirkland is another Bakersfield boy who will spell trouble for Valley.

almost any four year college on the Pacific Coast. Ambord is hoping to attend Loyola University next year and play football for the rugged Lions.

### Wawrach Signs

I was talking to Joe Wawrach Tuesday at noon, and he told me some very interesting news. In case you don't know who Joe is, he is a former Valleyite and played second base on the Monarch baseball team last year. He was chosen on the all-tournament team in the annual Azusa Invitational JC Tourney in the middle of the season last year. To get back to the news, Joe signed a contract recently with the Cleveland Indians, but first will spend some time with Uncle Sam in the Army.

Wawrach is the third member of last year's team to sign with a professional ball club. Bob McCaffrey and Pete Nitrini are the other two.

### Congrats

Congratulations to Coach Charlie Mann, Coach E. Y. Johnson and the football team for their win the other night against Porterville. Now let's see you take Bakersfield, Glendale and Harbor JC's in order. It can be done.

## Floats, Banner, Music Highlight Homecoming

"And still another first for Valley!" Nov. 18 is the date set for Valley College's first Homecoming activities. Floats, banners, music and color, along with a football game, will provide the atmosphere for this gala event.

There will be a parade in the morning, featuring floats from the various campus clubs. Each club entered in the parade will sponsor a contestant for queen. Members of the local and downtown newspapers will act as judges in selecting the young lady of their choice to act as Valley's first Homecoming Queen.

Ed Austin, president of the Lettermen's Club, is making arrangements for obtaining the judges. Shirley Shilts of the Student Y and June Kroutil of the French Club are entrants in the contest so far.

"Valley's Homecoming is especially designed as an invitation to the community to further acquaint them with Valley College activities," states Mike Seeger, Associated Students president. "The college has made large gains in the past year and here is a chance for the community to witness Valley's progress and spirit."

Perhaps the highlight of the day will be the football game between Valley and Harbor Junior College. This contest will be the last game of the year for the Monarch's initial season in Metropolitan Conference football.

Spectators will be surprised at the colorful and amusing half-time activities. What are they? Come to the game and see.

## Student-Y Plans Annual Dinner for Students, Faculty

Plans for the second annual Student-Faculty banquet, sponsored by the Student Y, were announced this week by Shirley Jones, banquet chairman. The dinner will be held at the North Hollywood YMCA, 5142 Tujunga Avenue, Tuesday evening, Nov. 7.

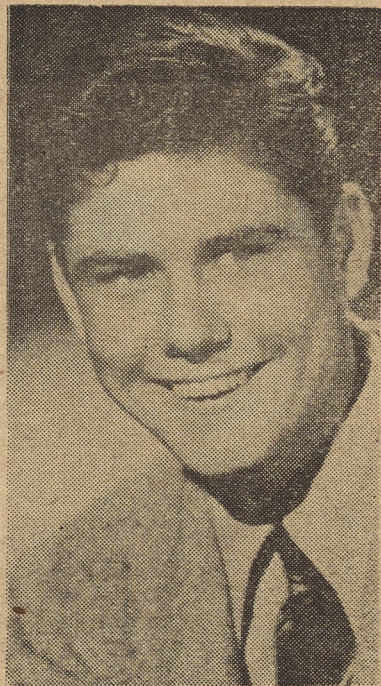

Included in the evening program will be entertainment and singing. Rev. Fred Judson, minister of the Trinity Baptist Church of Santa Monica, will speak to the group. Rev. Judson is known among the many service clubs as one of the Southland's most dynamic speakers.

The theme of the banquet will be "Apple Polishing," and it will be carried out by unusual decorations.

Although the faculty will be guests of the Student Y, those students wishing to attend must reserve a place at 75c per plate by Monday, Nov. 6. Reservations may be made by seeing Shirley Jones, Mary Atkinson, Marilyn Kendall or Wyatt Seal.

## Barbara Bergerson Has Halloween Fete

Attending a festive Halloween Party last Friday night at the home of Barbara Bergerson were Miss Bergerson and Paul De Kneef, Lois Armstrong, Marvin Goodrow, Jenny Haverkamp, Hank Maryanski, Gloria and Keith Kersey (Gloria McCoy), Leslie Bowman, Bill Gennemore, Margie Peck, Stu Wiley, Betty Mood, Sid Nothwang, Charlene Armour, Don Thomas, Linda Murrell, Roger Dittman, Shirley Vertz, Dan Wright, Dotty Hendricks, Dave DeLaey, Dixie Drape, Jack Vanderloop, Charlene Plotner, Kenny Owens, Ruth Shields, Tommy Hoover, Muriel Brindamour and Dick Goldsberry.

## Dittman Receives Military Honor

"Amongst we mortals is a future leader of men." Roger Dittman, 18, of Valley College aims for the United States Military Academy next June. Sen. William F. Knowland of California made the appointment.

A licensed pilot, and member of the Air National Guard, Dittman will carve an aerial career for himself at West Point.

Originally from Milwaukee, Dittman has lived in California for eight years. He is a graduate of Van Nuys High School and is now enrolled at Valley.

By DODIE JOYCE

Sparkling chatter on campus this week is centered mainly around the question of who will be the Homecoming Queen. It will be quite an honor and there are certainly a lot of prizes to be given to the fortunate winner. The girls will be judged by outside judges a week or two before Homecoming.

Gene Stauffer was heard to comment, "I suppose, or hope, the queen entries will be judged in bathing suits!" As of now the answer is "No!" But you never can tell.

The queen and her four princesses will be presented with corsages and a large bouquet of roses. The festive occasion should be long remembered by Valley students.

... Welcome home to Beverly Zanolino who just returned to campus life after being in the hospital for an appendectomy. ... Patty Murtaugh will be absent from classes for a short while as she was operated on for appendicitis last Thursday.

... Square dancing class at 12 noon on Tuesdays and Thursdays took a new swing Tuesday when square dancing was momentarily forgotten. The band which played for the Sigma Tau Sigma Forum stayed in College Hall after the assembly and played some melo dance music for the square dance class. Valley students playing the fine music were Norman

## Valley's Halloween Dance Proves To Be Gala Event

Dancing under a gaily decorated black and orange "crepe-paper sky," 200 Valleyites enjoyed a Halloween Dance held in College Hall last Friday evening.

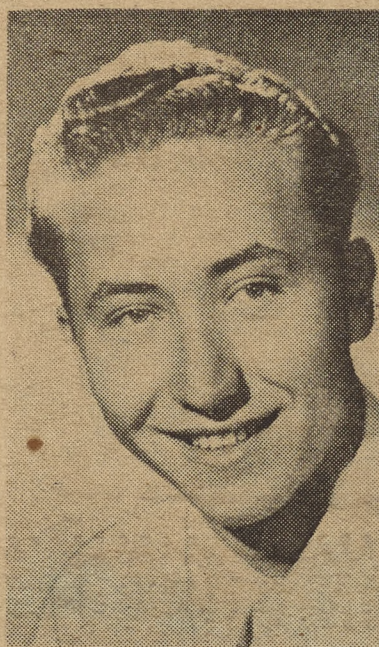

The dance, sponsored by the AWS and AMS, sparkled with the music of Larry Wolf and his orchestra.

Intermission entertainment was provided by versatile dancers, Rae Vackar and Ed Scharff. As the lights were dimmed, a spotlight shone on Scharff and Miss Vackar as they went through an intricate pattern of ballroom dance steps.

The dance was the first at Valley to carry the Halloween theme and was accepted enthusiastically by those who attended. A "backwards" affair, the dance climaxed a week of gala activities for Men's and Women's week.

Those who helped with the decorations and general arrangements were Kathy Moore, Joy

Schroeder and Shirley Wertz, president, vice-president and secretary of the AWS, Bob Baker, president of the AMS, Karl von Poederoyen, Linda Murrell, Dee Yrigoyen, Joyce Morgan, Irene Hansen, Stu Wiley, Michele Arons and Ed Masry.

## Frishman Holds De Molay Post

Arthur W. Frishman of Valley College has been named supervisor of the Van Nuys De Molay, after being appointed by national De Molay executive, Judge William R. McKay of the Superior Court.

A past master counselor, Frishman states that his program will call for closer chapter activities. "The emergency which is apparent to us because of the Korean incident has impressed us that provisions must be made to meet these repercussions as far as De Molay is concerned," stated Judge McKay after he confirmed Frishman's appointment.

Frishman has named William H. Pettes, also a past master counselor of Van Nuys chapter, as his associate supervisor.

thentic compass swinging to and fro ... our man's best boots paired down to our size and ready to step along side of his in the gayest fashion parade of the era!

## Psychology Classes Plan Field Trip

November 10 and 17 are the dates set for the psychology trip to the state mental hospital at Camarillo by Valley College psychology students.

Charles Locks and Charles Marsh, psychology instructors, will take two groups of 50 students from their classes on the trip, which will take about four hours.

The patients suffering from different types of psychoses will be interviewed by the doctors before the group. Students will be given the history and progress of each case. The interviews of the patients will coincide with the study of psychosis in the classroom.

## GDU Society Begins Now

Gamma Delta Upsilon, an honorary journalism society for college men, had its constitution accepted this week by the Student Council, and is now a new organization on the Valley College campus.

The members are Brad Browne, THE VALLEY STAR sports editor, Dick Degnon and Dick McGowan, reporters, and Bill Tunnell, managing editor. LACC has the Alpha Chapter of the society.

Angelo Villa, a Spanish instructor who taught journalism at Palomar College before teaching at Valley, is sponsor of the society.

Qualifications necessary are a "C" average in all college class work, at least a "B" in a writing course in journalism, and a "B" average in other journalism courses. Also he must be active on the staff of THE VALLEY STAR.

## Newman Officers Elected for Term

Officers for the Newman Club were elected at the last meeting. They include president, Jack Schweinfurdt; vice president, Richard McGowan; secretary, Pat Crone; treasurer, Claire Lorrana; and sergeant at arms, Ernie Chacon.

Love, a compound of sweet and bitter, of joy and melancholy.—Greek proverb

A woman's heart is fickle like the autumn sky.—Greek proverb
